# Shopping list

Milk 

 Apples

Eggs 

Bananas 

 Bread

This is my shopping list!  
There is some milk.  
There are some apples.  
There are some eggs.  
There are some bananas.  
There is some bread.

I can say  
There is **a** banana  
in the fridge.  
There is **an** apple  
in the fridge.  
There is **an** egg in  
the fridge.

**BUT**

I can't say  
There is a milk in  
the fridge.  
There is a bread  
in the fridge

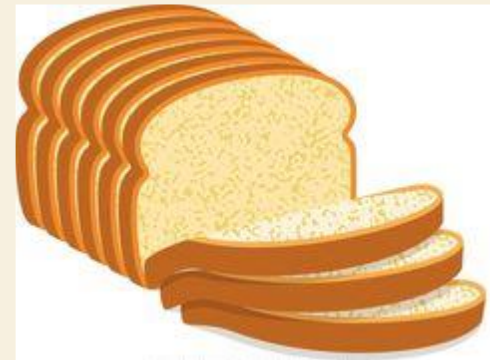

These are called uncountable nouns because we can't count them. So we use **some**.

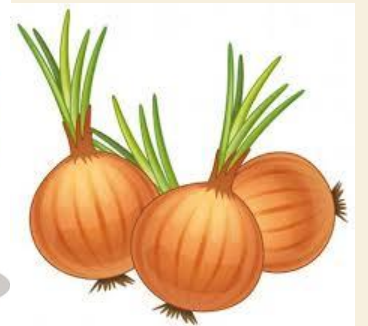

"There is some.."  
There **is some** milk in the fridge.  
There **is some** bread in the fridge.

"There are some.."  
There **are some** apples in the fridge.  
There **are some** onions in the fridge.

What is there in  
your cupboard?  
There is a/an...  
There is some..  
There are some...
